

Mrs. Scott's Second Grade Newsletter

scottalison@district87.org

stevenson2as.weebly.com

Friday August 23, 2019

Dear Families,

Next week, I will start sending home a weekly newsletter every Friday in your student's Tiger Binder. The newsletter will always look like this sheet and will have information about upcoming events, what we are working on in class and other important announcements. Please take time to read the Newsletter each week with your student at home. I always read it with them here at school as well so it is an awesome way to work together to support your child at school! You can also get a copy of each newsletter online on our class website: www.stevenson2as.weebly.com.

Please check your student's BLUE homework folder in their Tiger binder for more information about weekly homework. This week, students will begin Spelling homework. This week's list goes with our story *Dragon Gets By*.

Thank You,
Mrs. Scott
