Dear Families,

Next week will we will read *Exploring Parks with Ranger Dockett*. This story connects to our Social Studies concepts about rural, suburban and urban settings. We will be working on facts and opinions.

In writing, we are working on journal entries and complete paragraphs.

In math, we will be taking our Topic 4 test. We will then be reviewing all skills for our first benchmark, Topics 1-4. Students will take their benchmark 1-4 test to show growth since each Topic test so far. Topic 5 is Place Value to 100.
