Dear Families,

Next week we will begin Theme 2: Nature Walk. Students will read *Henry and Mudge and the Starry Night*. We will work on asking and answering questions. In writing we will work on how to answer a question with a complete sentence.

We will wrap up Topic 3: Subtraction Strategies and begin working on Topic 4: Working With Equal Groups. Students are learning how to do repeated addition and understand early multiplication concepts.

I look forward to seeing you at Parent Teacher Conferences next week!
