Dear Families,

Next week we will begin Theme 3: Around Town with the story *Chinatown* by William Low. The students will work again on the comprehension strategy of summarizing. In writing, we will work on descriptions and naming words (common nouns).

We will also continue learning about our Author of the Month Cynthia Rylant.

In math, we have began Topic 6 Mental Math. Students are learning how to add tens and ones.

Have a great weekend.
