Dear Families,

Next week, we will wrap up Theme 3 and the first half of our Reading curriculum. We will review comprehension skills learned in quarter 2 and update our data booklets with math and reading evidence. Data booklets and report cards will come home after break.

In writing, we will be working on self and peer editing Quarter 2 All About Me. Students will keep these in their writing portfolios and bring home a copy with a writing rubric.

In math, we will take the Topic 8 Two-Digit Addition test and review all skills taught so far this year.

Have a Wonderful Weekend!
